

I'd Rather Be With You

(Words and music by Joshua Starmer, copyright 2013)

Verse 1:

There's a bluebird singing now, singing at the top of the tree.

C **F**

She sings a song about love, sweet tune, sweet melody.

C **F**

It's just the two of us here, so I guess she's singing just for me.

C **F**

There's not a cloud in the sky.

G

Verse 2:

I've got the warm sun shining down, shining on my skin today.

I'm just laying on the grass, eyes closed, got nothing to say.

I could doze till night, and watch the stars come out and play.

Everything is alright.

Chorus1:

But I'd rather be with you, in the wind.

F **G**

I'd rather be with you, in the rain.

F **G**

I'd rather be with you smack dab in the middle of a hurricane.

F **G** **C**

Verse (whistle):

Chorus1:

Bridge:

Taped up windows, storm drain overflows.

F **G** **Amin** **F** **G** **C**

I don't know why, dark clouds fill the sky.

F **G** **Amin** **F** **G** **C**

Chorus1: (with G at the very end)

Chorus2:

I'd rather be with you, in the wind.

I'd rather be with you, in the rain.

I'd rather be with you in the middle of a cat five hurricane.
