(Words and music by Joshua Starmer, copyright 2014)

**A**                      **Bmin**              **G** **Emin**

Just wondering where they used to go

**A**                                      **Bmin**              **G** **Emin**

### **Verse 1:**

### **Chorus 1:**

### **Verse 2:**

### **Chorus 2:**

Just wondering where they used to be

These memories won't set me free

I've found the lock but there is no key

### **Chorus 1:**
