

## Right Here, Right Now

(Words and music by Joshua Starmer, copyright 2014)

### V1

I've got some time to kill

**F**

Got a twenty dollar bill

**Dmin**

I'm just hanging around

**C**

Just hanging around.

**G**

I've got a cocktail in my hand

I got both feet in the sand

I'm just hanging around

Just hanging around.

### Chorus

Cause I'm a man without a single care

**F**

I'm just watching the wind blowing through your hair

**C**

You've got a smile that really turns me on

**F**

You drive me crazy while I'm singing my song.

**C**

**G**

### V2

I know a place, not far

We can get there without a car

Let's give it a try

Let's give it a try.

I want to kiss your lips

Touch your skin with my fingertips

Let's give it a try

Let's give it a try.

## Chorus

### V3

We'll watch the sun set low

**F**

We've got no place else to go

**G**

Right here right now

**C**

Right here right now.

**G**

The stars above will shine

I'm just happy that you are mine

Right here right now

Right here right now.
