

On Your Doorstep

(Words and music by Joshua Starmer, copyright 2015)

Vs 1:

Driving north east

G **Amin**

I try not to think of what can go wrong

F **C** **G**

(cause) I need release

Amin

Feeling so scared when I should be strong

F **C** **G**

It's not all that far

I double check, to make sure it's yours

I park the car

And straighten my back as I walk to the door

Pre-chorus1:

It's easy to call, it's easy to knock.

Amin **Emin**

When I could care less, I can handle the shock.

Amin **G**

But this is so hard

Amin

This is so hard

Emin

This is so

Chorus:

I remember freaking out

C G **Emin** **F**

On your doorstep, on your doorstep

Amin **F** **C** **G**

And I never felt so exposed

C G **Emin** **F**

As I did that day, on your doorstep

Amin **F** **C** **G**

Vs 2:

Fist full of daisies

How can they say what I'm feeling inside

(cause) I'm going crazy

Standing alone, right here outside

I hear a sound

Creaking and pops from an old wooden stair

(and) I look around

Thinking of you, your face and your hair

Pre-chorus 2:

This is so hard

This is so hard

This is so

Chorus:
