

## **Look Away**

(Words and music by Joshua Starmer, copyright 2015)

### **Verse Chords: G, Emin**

#### **Verse 1**

I wish I had a devil screaming  
loud and clear  
I wish I had a devil screaming  
in my ear

Then I would have somebody  
that I could blame  
Then I would have somebody  
to hide my shame

Look away

#### **Verse 2**

I wish that the grass were greener  
where I stand  
I wish that the grass were greener  
on this dry land

Then I would have something  
to ease my mind  
Then I would have something  
that I can't find

Look away

### **Interlude: D/F#, Bmin, C, Amin**

#### **Verse 3**

Far into the future  
the sun is bright  
Far into the future  
it's never night

Everyone might be happy  
I can dream  
Everyone might be happy  
so it may seem

Look away

**Verse 4**

Living in a land of shadows  
Can't see what's true  
Living in a land of shadows  
I depend on you

To see what I can't see  
Screaming in my ear  
To see what I can't see  
Screaming loud and clear

(but please)  
Look away

**Interlude: D/F#, Bmin, C, Amin**

**Outro: G, Bmin, C, Amin**
