

## Christmas In Rio!

(Words and music by Joshua Starmer and Brian Risk, copyright 2015)

### Chorus

It's Christmas time in Rio,

**Bflat**                      **C**

While the sun shines down on Rio

### Vs1

Papai Noel

**F**

He's the surfing the waves

**Dmin**

He's got his speedo on, and he's got his shades

**Bflat**

**F**

**C**

He shaved his beard last week

'Cause it's just too warm

This is the mid-summer heat

Not a midwinter storm.

We got people singing Noite Feliz

**Gmin**

**Dmin C**

We just finished plugging in our electrical tree

### Chorus

It's Christmas time in Rio,

While the sun shines down on Rio

### Vs2

When he's not hanging dez

Papai's in Greenland

Fezzik's employed making

presents by hand

Check out the presépio

It's bad to the bone

You've got your amigo secreto

So you're never alone

We just finished Os Pastores, oh the gall

I still can't believe that the gypsy ran off with the doll

**Chorus**

It's Christmas time in Rio,  
While the sun shines down on Rio

**V3**

Bom Velhinho  
He's trying to keep cool  
Sipping on his cachaça  
Right next to the pool

The street's lined with orchids  
There's no mistletoe  
When the clock strikes doze  
To chapel we'll go

The missa do galo was crazy it lasted all night  
Let's eat a feijoada til we see the morning light

**Chorus**

It's Christmas time in Rio,  
While the sun shines down on Rio
