

All I Ask

(Words and music by Joshua Starmer, copyright 2016)

Vs1

It's late at night

Gmin Bflat Eflat

I try to fight but I can not sleep

Gmin Bflat F

It's dark, can't see

Gmin Bflat Eflat

But I hear you breathing right next to me

Gmin Bflat F

My head replays

Gmin Bflat Eflat

Each mistake I wish I never made

Gmin Bflat F

Chorus

Sleep, peaceful sleep, all I ask, all I ask

Cmin Bflat Gmin F

Please, just one night, all I ask, all I ask

Cmin Bflat Gmin F

Vs2

It's cold outside

Got to make it through these winter nights

My ghosts come out

Dancing around they won't let me be

I pace the floor

And I can't believe it's only five past three

Chorus

Bridge

A brand new day

Dmin Eflat

I'll try to scare these ghosts away

Dmin Eflat

A brand new day

Dmin Eflat

Is worth the wait

Dmin F

It's late at night

Gmin Bflat Eflat

I toss and turn but I can not sleep

Gmin Bflat F
