

Another Day

(Words and music by Joshua Starmer, copyright 2016)

Police man knocks

C **Bmin**

He's been asking

D **A/C#**

Where have you been?

C **Bmin** **A**

Unchecked

Your mail piles up

Where have you been?

Instrumental Chorus

C Emin D Amin x2

V2

A week went by

We finally found you

In a hospital room down town

The cancer came on

Swift and strong

But you've been through wars before

Chorus

Take a look out your window

C **Emin**

It's another day

D **Amin**

The sun's crescendo

C **Emin**

It's another day

D **Amin**

V3

I know

I know it's painful

I know it hurts

So much
Is quickly changing
All for the worse

Chorus

Chorus 2

I feel so helpless
Don't know what to say
So I'll look out the window
For another day
