

## **Nasty Weather**

(Words and music by Joshua Starmer, copyright 2016)

### **V1**

The lights are out and no one's home

**Emin C Bmin D**

There's no one fighting through the night

There's just a shell dried on the shore

It's just the calm before the storm

### **Chorus**

I see the clouds forming

**C Emin**

We're in for nasty weather

**D Emin**

It's headed right this way

**C Emin D**

Despite our great intentions

**C Emin**

You know as well as I do

**D Emin**

We see it yet we stay

**C Emin D**

### **Vs2**

It wasn't always like today

When he moved in, the ring in hand

He was on his knee dreaming big

But the bottle was too strong and won the war

### **Chorus**

#### **Bridge**

It's too late to turn back now

**Emin F D**

What's done is done, it's time to move on

**Emin F D**

The morning sky is blazing red

**Emin F D**

### **Chorus**
